

## **A New Beginning**

*Thy word is a lamp unto my feet, and light unto my path. Psalm 119:105*

Todd Braschler shared the Word, the truth of scripture, with us and indeed we can hold onto those teachings as a lamp to guide our footsteps as we seek to live as Christian men. But, even more, those of us that attended were in the presence of the Holy Spirit and in that atmosphere we heard that voice that speaks the living Word to our spirits, intimately, personally.

*In the beginning was the Word, and the Word was with God, and the Word was God. The same was in the beginning with God. All things were made through him; and without him was not anything made that hath been made. In him was life; and the life was the light of men. And the light shineth in the darkness; and the darkness apprehended it not. John 1:1-5*

The living Word has been alive since before time began but often we don't "apprehend" it. The world feels like a dark place. We look for revelation, and wonder where the "light" is. We trudge through our daily tasks and wonder where the "life" is. This weekend we found the living Word and it has brought life and light.

If we accept the challenge to become "tile movers" today, we desperately need to be continually filled with life, light, and power and we will need to become men of the Spirit, the living Word. Our goal here at Cornerstone is to equip and empower you!
